Andrew Patterson

Global Manager of Strategy and M&BD - Infrastructure

BIOGRAPHY

Andrew Patterson is the global manager of Strategy and Marketing & Business Development for Bechtel's Infrastructure business.

Andrew has over 20 years' experience in the industry. Throughout his 18-year career at Bechtel, he has served in various senior management and project execution leadership roles, including regional president for Africa, business development, commercial, construction, design, and contracts management. These roles extend to global businesses and sectors in Bechtel's Infrastructure and Mining & Metals units.

From 2015 to 2019, Andrew was the regional president for Africa. Prior to 2015, Andrew was the Infrastructure sector manager for Roads, Bridges, and Industrial Cities, supporting the delivery of projects and structuring new projects around the world.

In 2010, Andrew was the commercial manager for the [Kosovo motorway project](#). Prior to that, he worked as a business development manager, supporting projects in Middle East, Asia, Australia, Africa, South America and Europe. He also led a civil construction team on Bechtel's first project in Iceland, an aluminum smelter.

Andrew serves on the U.S. President's Advisory Council on Doing Business in Africa, for which he was appointed in 2016 and 2019.

Andrew has a bachelor's degree in construction engineering management from Oregon State University.

About Bechtel

Bechtel is a trusted engineering, construction and project management partner to industry and government. Differentiated by the quality of our people and our relentless drive to deliver the most successful outcomes, we align our capabilities to our customers' objectives to create a lasting positive impact. Since 1898, we have helped customers complete more than 25,000 projects in 160 countries on all seven continents that have created jobs, grown economies, improved the resiliency of the world's infrastructure, increased access to energy, resources, and vital services, and made the world a safer, cleaner place.

Bechtel serves the Infrastructure; Nuclear, Security & Environmental; Oil, Gas & Chemicals; and Mining & Metals markets. Our services span from initial planning and investment, through start-up and operations.
