# Patrick Noon

## Chief Information Officer

Patrick Noon serves as the chief information officer for Bechtel. In this role, he provides leadership and functional oversight necessary to plan, deliver, and manage information technology (IT) products and services for the company's offices and projects globally.

Previously, Patrick was the manager of Strategy, Architecture, and Innovation focused on multi-year, integrated strategic roadmaps. He has more than 30 years of hands-on experience in engineering and IT management for several of Bechtel's business units, including projects in the telecommunications and offshore industries. He has held assignments in several countries, including the U.K., Saudi Arabia, Kuwait, Bahrain, Australia, the U.S., and Canada.

Patrick holds a master's degree in engineering from Imperial College in London and a bachelor's degree in civil engineering from St. Joseph University in Lebanon. He is a Chartered Engineer in the U.K., a European Registered Engineer, and a Registered Engineer in Lebanon. Patrick is fluent in English, French, and Arabic.

### ABOUT BECHTEL

Bechtel is a trusted engineering, construction and project management partner to industry and government. Differentiated by the quality of our people and our relentless drive to deliver the most successful outcomes, we align our capabilities to our customers' objectives to create a lasting positive impact. Since 1898, we have helped customers complete more than 25,000 projects in 160 countries on all seven continents that have created jobs, grown economies, improved the resiliency of the world's infrastructure, increased access to energy, resources, and vital services, and made the world a safer, cleaner place. Bechtel serves the Infrastructure; Nuclear, Security & Environmental; Oil, Gas & Chemicals; and Mining & Metals markets. Our services span from initial planning and investment, through start-up and operations. [www.bechtel.com](http://www.bechtel.com)
