Anette Sparks

Controller

BIOGRAPHY

Anette Sparks is Bechtel's controller, part of the company's Finance organization. Her responsibilities include managing the corporate financial accounting and reporting function in San Francisco, California, as well functional oversight of Bechtel's centralized business services group based in Glendale, Arizona. She sets policy for all controller activities company-wide.

Anette joined Bechtel as controller in 2000. She brought a wealth of experience in accounting, audit, tax, and financial analysis, most recently with ARCO and previous to that with Deloitte and Touche.

Anette was elected a principal vice president in 2001.

Anette, a certified public accountant, earned a bachelor's degree of accountancy from the University of Oklahoma in Norman.

Bechtel is one of the most respected global engineering, construction, and project management companies. Together with our customers, we deliver landmark projects that foster long-term progress and economic growth. Since 1898, we've completed more than 25,000 extraordinary projects across 160 countries on all seven continents. We operate through four global businesses: Infrastructure; Nuclear, Security & Environmental; Oil, Gas & Chemicals; and Mining & Metals. Our company and our culture are built on more than a century of leadership and a relentless adherence to our values, the core of which are safety, quality, ethics, and integrity. These values are what we believe, what we expect, what we deliver, and what we live.
